

- **Name / Position**

Wu, Shih-Sheng

Associate Professor

- **Office Address :**

School of Pharmacy

College of Pharmacy

Kaohsiung Medical University

100, Shih-Chuan 1st Rd. Kaohsiung,
Taiwan, 807

- **E-mail :** m715009@kmu.edu.tw

- **Tel :** 886-7-3121101 ext. 2647

- **Fax :** 886-7-3210683

- **Teaching Courses**

1. General Chemistry I
2. General Chemistry II
3. Organic Chemistry
4. Special Topics of Chiral Drugs
5. Advanced Special Topics of Chiral Drugs
6. Introduction of Pharmaceutical Care
7. Nonprescription Drug
8. Drugs and Life

- **The Highest Education Degree**

Ph. D. of Graduate Institute of Medicine of Kaohsiung Medical College

- **Personal Experiences**

1. Chiral Drugs Analysis
2. Pharmaceutical Analysis
3. Pharmaceutical Care
4. Pharmacy

- **Association**

1. Director of Taiwan Society of Health-system Pharmacists
2. Committee Member of Non-prescription Basis and Regulatory Amendments Assessment Team
3. Counseling President of Kaohsiung Pharmacists Association

- **Research Area**

1. Chiral separation and optical purity analysis of drugs
2. Analysis of stereoisomers
3. Synthesis of analytical reagent

4. Community pharmaceutical care (hypertension, diabetes, smoking cessation)

5. Pharmacoeconomic Evaluations
