

Hsin-Lung Wu, Ph.D; Professor Emeritus

Correspondence:

Professor Emeritus
College of Pharmacy
Kaohsiung Medical University (KMU)
100 Shih-Chuan 1st Rd, Kaohsiung, 807, Taiwan
Tel: 886-7-312-1101 Ext 2651*75;
886-7-315-9597(also for Fax)
E-mail: hlwu@kmu.edu.tw

Education:

B. S. Pharmacy (1964), Kaohsiung Medical University,
Ph. D. (1986), Osaka University,
Research Fellow: Kyoto University (1975-1977);
Himeji Institute of Technology (Japan),
Visiting Scholar: University of California at San Francisco (USA, 1989. 8),
University of Arkansas for Medical Sciences (USA, 1989. 9).

Main Professional Positions:

Dean of College of Pharmacy, KMU (2000. 1-2005. 3),
Director of Graduate Institute of Pharmaceutical Sciences, KMU (1988. 7-1994. 8),
Director of School of Pharmacy, KMU (1988. 7-1994. 8),
Director of Hospital Pharmacy, KMU (1999. 8-2000. 7),
Director of Natural Product Research Center, KMU (1988. 8-1991. 7),
Dean of Business Affairs, KMU (1981. 8-1988. 7),
Director of KMU Library (1978. 8-1980. 7).

Previous Course Coordinator:

Pharmaceutical Analysis,
Advanced Pharmaceutical Analysis,
Advanced Instrumental Analysis,
Scientific Writing.

Research Interests:

Pharmaceutical and Biomedical Analyses,
Liquid Chromatography (LC), Capillary Electrophoresis (CE) and Spectrometry,
Development of New Fluorescent reagents for LC and GC

Scientific Organizations:

American Chemical Society,
Pharmaceutical Society of Taiwan,
Taiwan Mass Spectrometry Society,
Chinese Chemical Society,
Chinese Biochemical Society,
Formosan Association for the Advancement of Science,
Chinese Environmental Analytical Society and
Taiwan Society of Chromatography and Separation Technology.

Ad hoc Reviewer for Scientific Periodicals:

Journal of Chromatography A,
Journal of Chromatography B,
Analytical Chimica Acta,
Electrophoresis,
Journal of Agriculture and Food Chemistry,
Journal of Separation Science,
Journal of Pharmaceutical and Biomedical Analysis,
Biomedical Chromatography,
CyTA-Journal of Food,
Scientia Pharmaceutica,
Journal of Chinese Chemical Society,
Journal of Food and Drug Analysis

Honors:

Senior Educator Award 2007 (Ministry of Education, Taiwan),
Top Referee 2007 of Journal of Pharmaceutical and Biomedical Analysis,
Who's Who in the World (Marquis; 2013-2007),
KMU Alumni Award for Distinguished Scientific Performance (2006),
KMU Award for Distinguished Teaching (2006, 2001),
KMU Alumni Award for Distinguished Paper (2004),
Best Paper Award of Taiwan Pharmaceutical Association (2000),
National Science Council (Taiwan) Fellowships (1995; 1980),
Excellence in Teaching Award (1988; Ministry of Education),
Honorary Certificate of Licensure (1989; Arkansas State Board of Pharmacy),
Shionogi Pharmaceutical Co. Fellowship (1975).

Main Current Activities:

Editorial Board Member of Journal of Food and Drug Analysis

Committee Member for Faculty Appealing Event, KMU

Committee Member for University Development, KMU

Assessing Committee Member for Pharmaceutical Terms, National Academy for Educational Research, ROC

Committee Member for Donation Fund Management, KMU Board

Others

Publications:

Before retirement as a principal investigator for forty more funding projects supported by National Science Council, Prof. Wu has published about 150 referred articles in many privileged analytical journals on LC, GC and CE analysis of drugs, biomarkers and other targets.
